DEFENDANTS' NOTICE OF TRANSFER OUT OF BRISTOL

Respondents-Defendants hereby provide the Court and opposing counsel with notice that **Segundo Armijos** (for removal to Ecuador) will be transferred out of the Bristol County House of Corrections sometime after August 17, 2020 to facilitate their removal from the United States thereafter. He has been tested for COVID-19 using an FDA-approved RT-PCR test received negative results.¹ With those transfers, the number of immigration detainees remaining at Bristol County House of Corrections will be 44.

Respectfully submitted,

ANDREW E. LELLING, United States Attorney

¹ FDA has approved a number of vendors' tests on an interim basis pursuant to what it calls an Emergency Use Authorization or "EUA." Upon information and belief, this is a fast-track review process that does not lead to a complete approval, but instead a temporary emergency approval in light of the pandemic. *See, e.g.*, https://www.fda.gov/emergency-preparedness-and-response/mcm-legal-regulatory-and-policy-framework/emergency-use-authorization (accessed 5/28/20). Defendants understand the Court's order to include EUA-approved tests as acceptable.
